Subject : Superanuation Pension of C. Bhima Rao, late Music teacher, Government Training School for Hindu Women, Bellary.

Ref :- G.O.No.Mis.46, Financial dated 1-2-1932.

Proceedings R.C.No.966 C.B.1. D/6-2-1932 of the Director of Public Instruction, Madras, and Government Memorandum No.31054-2- Financial (Pension) dated 21-10-1932 and Proceedings R.C.No.2153 C/32 D/29-10-1932 of the Director of Public Instruction, Madras.

....o0o....

Pay. Please your honour,

I C. Bhima Rao, late Music Teacher, Government Training School for Hindu Women, Bellary and now a pensioner Victoriapet, Hospet Bellary District, most respectfully beg to lay before your honour my legitimate grievences.

2/ I was entertained in Government Girls' School, Brucepet, Bellary on 12-7-1906 and retired from service on 14-7-1931 after completing the age of 55. So my total service is 25 years and 4 days (Vide enclosure No.1). There was no break in service (Vide enclosure No.2 / G.O. NO:917 Gl dated 30-4-29)wherein Director of Public Instruction recommended me to be confirmed from 12-7-1906.

3/ But unfortunately pension was given to me for 22 years only, thereby I get a pension of Rs.12/- per meneem.

4/ The period left out is 3 years and 4 days. If that period of 3 years and 4 days is taken into account, I would get a pension of Rs.16/5/3 as recommended by the - Director of Public Instruction in his No.966 C/31 D/4-11-1931 (Vide enclosures3 & 4).

5/ At the time of my retirement I was getting a salary of Rs.54/- in the grade of Rs.45-3-90 as Music Teacher, Government Training School for Hindu Women, Bellary.

6/ Pension of Rs.12/- granted to me has been calculated taking my salary at Rs.33/- at the time of my retirement and taking my service at 22 instead of 25 years and 4 days.

7/ I am at a loss to know why a lower salary was adopted than the one I was actually drawing at the time of my retirement.

8/ If my salary at the time of retirement is taken into account I would get a pension of Rs.25-12-0 (Vide - enclosure 5).

9/ The instructions contained in G.O.No.917 GL dated 30-4-29 was ignored while calculating my service (Vide enclosure / 6).

10/ These are hard days and the cost of living has gone considerably high. A poor pensioner like myself with a meagre pension with a family of eight members to maintain cannot hope to have one meal a day.

P.T.O.

11 I donot stand a chance of getting substantial relief unless the Government is pleased to review my case sympathetically enhance my pension to a figure legitimately due to me.

12 In conclusion I prav that justice may kindly be done to me.

I shall ever be grateful for such act of kindness.

I beg to remain,
Honoured Sir,
Your most obedient servant,
C Bhimia Rao

Hospet,

It will be seen from the papers in F.D.46 Final Pen, A) Dy 1-2-1932 sanctioning the individual's pension that the pension has been worked out correctly. On a representation made in Sept 1932, the first Asst informed him definitely stated that his pension has been worked out correctly and that his allegation that he has rendered a service of 24 years and odd was also incorrect. He was granted a pension for 22 Complete years of service which worked out to Rs 12/- p.m. In the present representation also the petitioner repeats the same allegations viz:-

1) that his pension was given as for 22 years only instead of 25 years; and

2) that in calculating the pension the salary drawn by him at the time of retirement (Rs 54/-) was not taken into account but only a lower salary.

Item (1) above: The petitioner was confirmed only in 1929 and although his service from this date alone up to the date of retirement (1-7-1931) would normally count for pension certain periods of Mfg. service were declared as qualifying for pension with reference to Art. 371 C.S.R. and he was also allowed the benefit of Condoning a deficiency of 8 months & 22 days by which the service fell short of 22 years. This allegation of his is incorrect.

Item (2) above. The amount of pension is based on average emoluments during the last three years. Although the petitioner was getting Rs 54/- as salary during the last stage of his service his average emoluments worked out only to Rs. 32-11-0 and the pension of Rs. 12/- p.m. sanctioned to him was fixed on this basis.

3- It may also be pointed out that the statement made in para 9 of P/C is also incorrect since it was with reference to the order in F.D. 917 PL Dy 30-4-29 that his Mfg. service was allowed to count for pension

Finance may advise that the petition be rejected. The Case may be transferred to Home for disposal.
